NARI's Evening of Excellence<sup>SM</sup> reception will be held on Friday, April 12 at the Wyndham San Diego Bayside, San Diego, CA. **Our 2019 Southeast Regional CotY Award Project:** Our residential exterior project completely transformed the exterior of this home by designing and building a wrap-around front porch. This new outdoor space with landscaping, audio, relaxing sitting areas, a porch swing and lighting, creates a great first impression for visitors and family. The new façade replaced roofing with siding, and a single entry became a double French front door. Additionally, new windows cased with shutters, a new standing seam covered roof with bead board ceiling, tongue & groove porch flooring, columns and brick steps now create the welcoming entry experience.
